MURBY WAY TO FOXON WAY

- Part 1- Widening of the existing path between Murby Way and Foxon Way from 1.5m to 3m to match existing widths of surrounding paths.

- Part 2- Improvements to be made over the north arms of the 2 roundabouts at Murby Way and Foxon Way, with crossing distances reduced by extending the kerbs out and extending central islands into the carriageway.

- Black top surfacing to be used for the works as per existing

BRAUNSTONE TOWN COUNCIL

COMMENTS

“My colleagues and I had the pleasure of visiting Braunstone Parish Council late last year and we were impressed with the way the Council engaged their communities and ensured the community they serve was at the heart of all they do. It was great to see, first hand, how the cycle route with improved lighting and CCTV has helped the community use this space. The passion the Council has for their local area was clear to see and made for a great visit”

PROJECT LEARNING

WHAT WORKED WELL

- Relationships between Council Officers and Sustrans Advisors
- Agreeing a route
- Sourcing funding
- Political Support

WHAT DIDN'T WORK SO WELL

- Meeting timescales and deadlines: delivery continues to slip
- Delivery and opening of the link from Mossdale Meadows into Meridian Leisure
