Why are you standing for your selected position (include relevant experience, skills and qualification gained through work, home, community and/or voluntary activities. As well as details of other achievements to date that will support your nomination)?

I have been a Parish Councillor since 2009. In 2012 I was first elected to the Larger Councils committee, and was on the committee until 2016 having served as the Vice Chair from 2014. I was re-elected to the committee in 2017.

I am Chair of my councils Planning and Environment sub-committee and I was involved with the Parish plan as part of this.

In 2016 I was elected Chair of my County Association and have been working with [REDACTED] ship, with some success.

Since 2016 our association has worked to increase and diversify the training available to Parish Councillors and I would continue this at a national level if given the opportunity.
