

The **LONGLIST**

Congratulations to those that have made it onto the longlist of NALC's new Star Councils 2015 awards. We are delighted with the number of entries that came in. Some categories proved more popular than others, but the high calibre was consistent across the board. The judging panel will have a tough job deciding the top three finalists for each category, giving us a winner and two runners-up.

Congratulations must also go to those who entered. Blowing your own trumpet isn't easy, but celebrating all that our local (parish and town) councils, councillors and staff do is a must if we're all to get the recognition and support that we deserve.

The three finalists for each category will be invited to send one representative to our special awards event being held in Birmingham on 27 October 2015.
