CiLCA RECOGNISED TRAINERS

Since 2015, the Improvement and Development Board (IDB) have introduced recognised trainers for the CiLCA (Certificate in Local Council Administration) qualification.

These trainers are the only individuals delivering official CiLCA training under the National Improvement Strategy (NIS) and are the only trainers who will have access to tailored advice and support from the National Association of Local Councils (NALC) and the Society of Local Councils Clerks (SLCC). This means that candidates can be confident that the training they choose will be delivered to a high standard, and trainers will be recognised as CiLCA trainers and receive regularly updated resources to support them.
