NEIGHBOURHOOD PLANNING DELIVERING MORE HOUSING IN SHROPSHIRE

Shropshire Housing Group is celebrating the granting of planning permission on an exceptional site after years of collaboration on Much Wenlock’s Neighbourhood Plan. Building is set to start this month on one of the region’s first Passivhaus sites. Originating from Germany, Passivhaus is the leading international low energy, design standard. The standard is a highly effective way of reducing energy use and carbon emissions from buildings, as well as providing high standards of comfort and building health.

INFLATION-PROOFING PUSHES UP COMMUNITY INFRASTRUCTURE LEVY CHARGES

A mechanism intended to ensure that Community Infrastructure Levy (CIL) charges respond to market conditions has pushed up rates by nearly a third in some of the first local areas to adopt the levy, an analysis by Planning has found. The analysis, shows that mandatory rules intended to ensure CIL charges keep pace with market conditions mean that the rates that early CIL adopters are now charging bear little similarity to those developers were being asked to pay five years ago.

BUS ACT ‘CHANCE TO BOOST SERVICES’
New measures are an opportunity for local authorities to improve services, say transport campaigners. The government confirmed on 27 April 2017 that the Bus Services Bill has Royal Assent and will become an Act of Parliament. The act aims to strengthen arrangements for partnership working in the sector, introducing ‘enhanced partnerships’. It also introduces new franchising powers with decision making at a local level.

NALC DIGITAL COUNCILS EVENT – 25 MAY 2017

Even the most hardened traditionalist now accepts that digital content and digital channels are hard-wired into parish and town council activity. This workshop is a chance for colleagues to hear about why digital increasingly matters, the importance of both doing it and how to do it. It will provide an opportunity to look at some best practice, hear some new ideas and to get expert advice on evaluation.
